BUILDING FUND DONATIONS

It is essential for the College to maintain our buildings and continue with further upgrades for the benefit of our students. The table below lists a suggested family contribution to the College Building Fund. This is voluntary and tiered to align with gross family income. The contribution has been proposed by the College Board to assist in covering the cost of ongoing building maintenance and capital projects, including our College Hall. We hope to commence construction of the College Hall in 2016. Donations to the College Building Fund are tax deductible.
